

Product REVIEW

Aloe vera and Olives

Himalaya Aloe Vera Gel contains Aloe vera extract which has several health benefits as reported in various studies and research. Himalaya manufactures face wash, face wipes, shampoo and hair cream by using Aloe Vera gel as the key ingredient. All of the products contain the natural ingredients and doesn't have any artificial compounds to enhance the benefits. You can use it to replenish the lost moisture of the skin, hair and revive the natural smooth shine in both your skin and hair. **Aloe vera** enhances the shine of hair, it is often used as a mask to bring back life into dull locks. If you do not have time for a moisturiser-conditioner routine and are on the lookout for a quick fix for your hair the cream can be used as a leave in conditioner. You can apply it over the dry skin to naturally nourish and regain the glow of the skin. Recent studies have shown positive results in reducing stretch marks and wrinkles. If you are skin is oily then you should try using Himalaya aloe vera gel face wash to reduce the oil and improve the skin texture. Face wash and wipes can be used to cleanse the skin and as well as a makeup remover.

OLIVE MOISTURISING CREAM

Olive oil contains a combination of sebum (the natural oils in your skin) and micro-flora (healthy bacteria) that recreate the balance in skin. The Himalaya Olive Extra Nourishing Cream possesses the antioxidants and natural acids of olive that work in harmony with other key ingredients to strengthen the skin's natural barrier. When applied, the Olive Extra Nourishing Cream is quickly absorbed into the skin. Therefore, instead of sitting on top of your skin, the active nutrients care for and create the appearance of supple and radiant skin. Aside from Olive Oil, other key ingredients in the nourishing cream include Almond Oil, which enables quick absorption into the skin and prevents the occurrence of acne due to its Vitamin A content. Plant Ceramides derived from Rice Bran extract provide deep nourishment by forming a protective layer that plumps up the skin and retains moisture. Olive extracts is also used in the Softness and Shine shampoo which naturally moisturises and strengthens hair.
